

1976 LARIAT

IF THERE'S NO TIME MAKE TIME

Scared and shaking,
Holdin' mama's hand.
The bells are ringing,
No more playing in the sand.
No time for that anymore.
We're learning to add
And how to make friends.
Also to share,
To borrow and lend.
No time for that anymore.
But something happened,
Those days flew by.
No more show and tell,
Since we're in Junior High.
No time for that anymore.
We now enter a world-
Of parties and dances,
Giggling painted up girls
Looking for boys glances.
There's still time for that.
High School brings us
A multi-colored world,
With cigarettes and beer
And leaves our minds in a whirl.
There's still time for that.
We're driving cars,
Going up and down the streets.
Laughing and screaming,
Showing off our fancy feet.
There's still time for that.
Where's the true joy
And closeness we shared?
Reach out your hand
And prove that you care.
If there's no time make time.

LaQuita Evans

Live is for Living

Life can get some people high!

Life can get some people low.

But life is sometimes bad for the soul

Life can be bad.

Life can be great.

But life can just give you a headache.

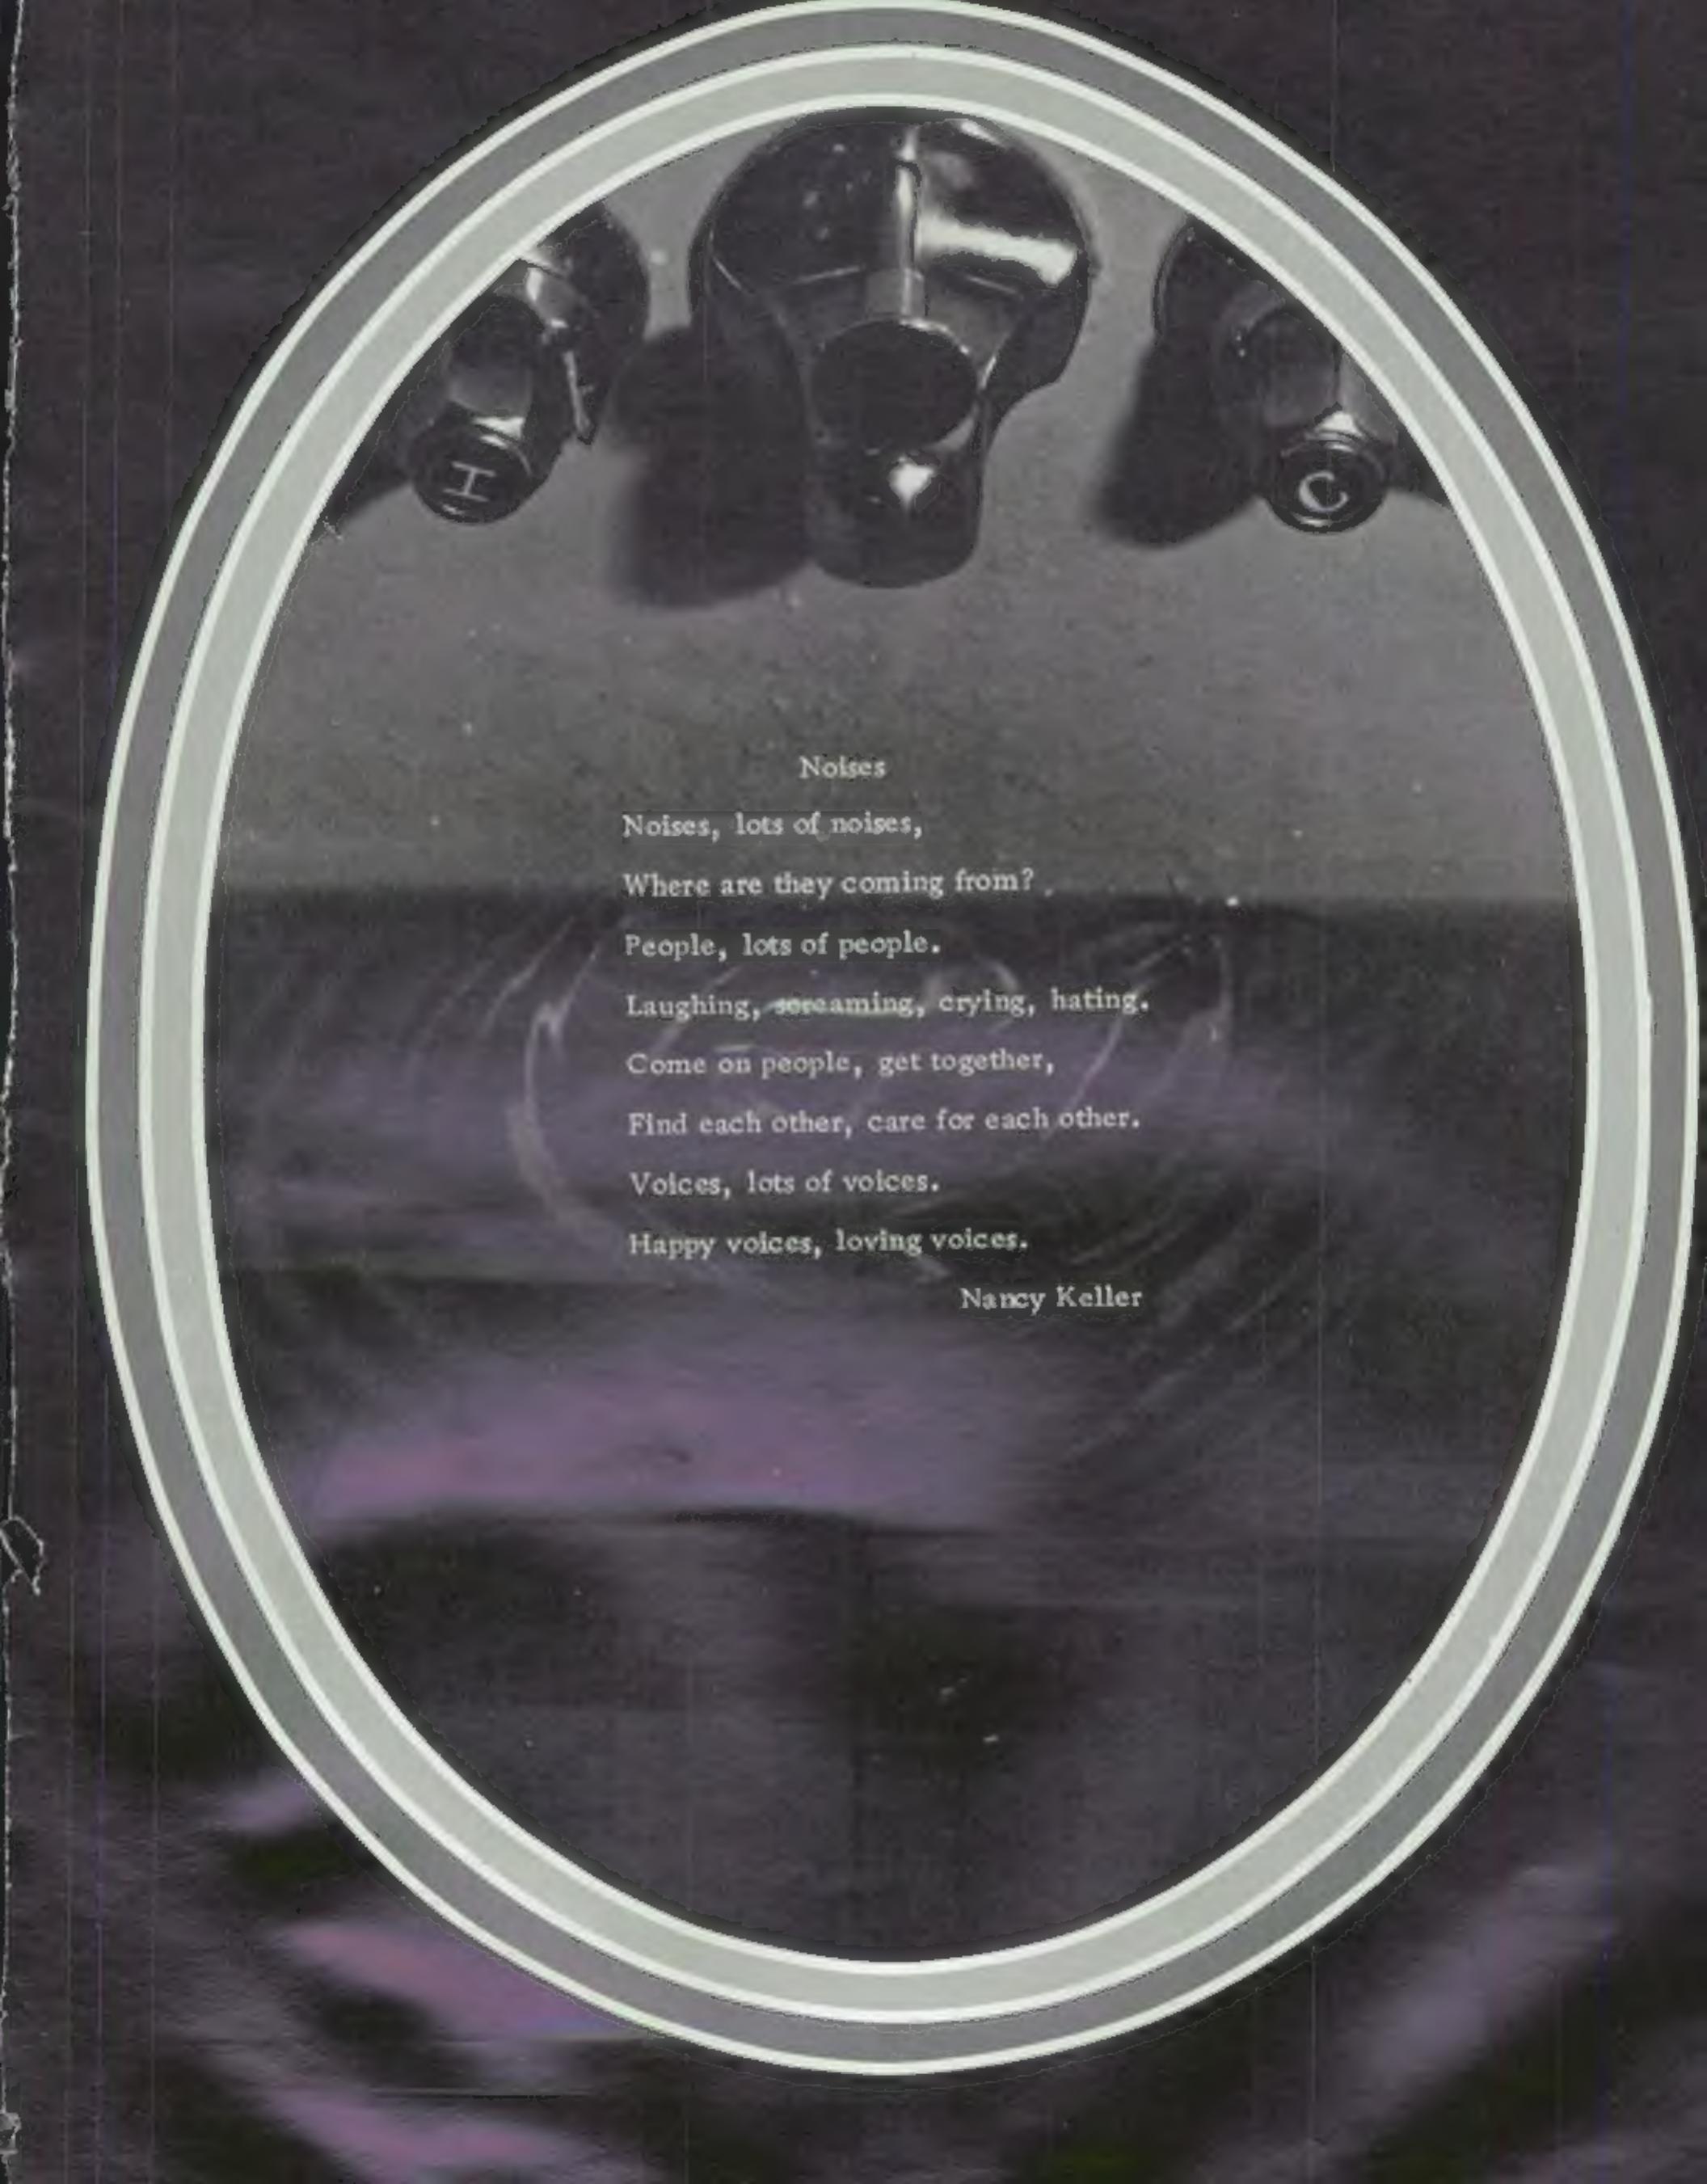

Life can be taking.

Life can be giving.

But most of all

LIFE IS FOR LIVING

Nancy Koller

Noises

Noises, lots of noises,

Where are they coming from?

People, lots of people.

Laughing, screaming, crying, hating.

Come on people, get together,

Find each other, care for each other.

Voices, lots of voices.

Happy voices, loving voices.

Nancy Keller

We dedicate this annual to the memory of Susi Smith.

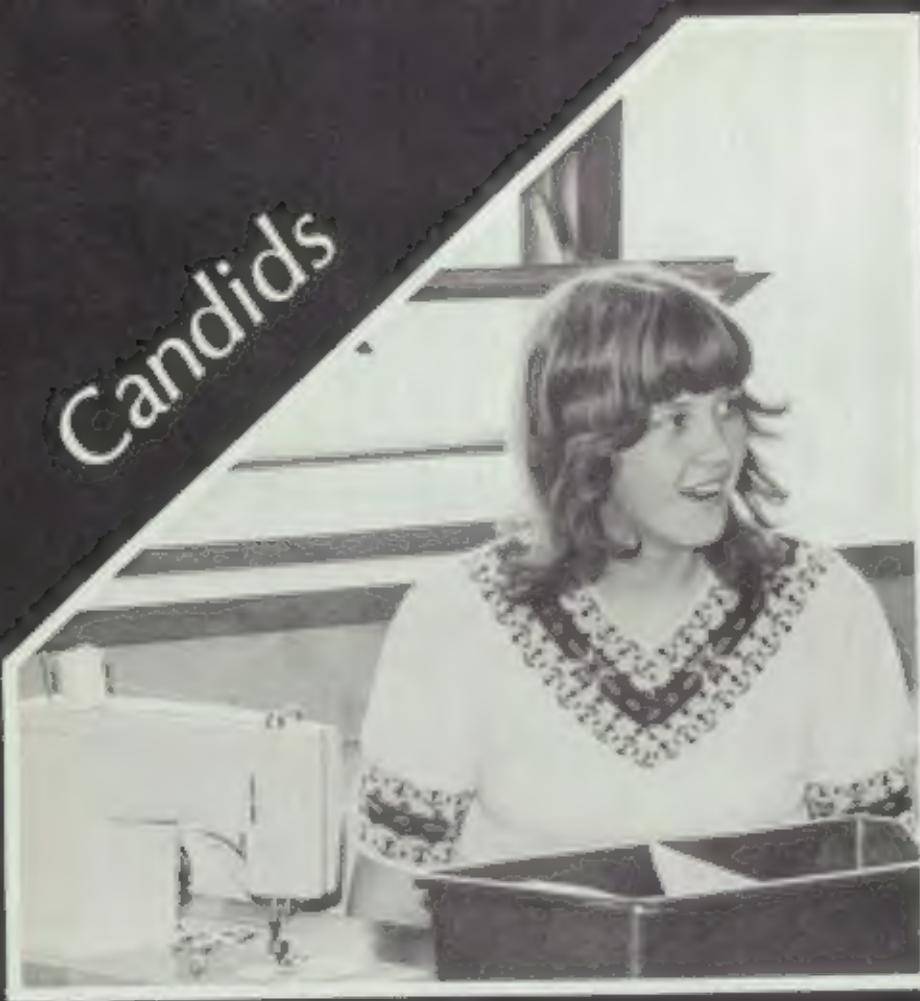

The Voice

A voice is in the wind I do not know;
A meaning on the face of the high hills
Whose utterance I cannot comprehend
A something is behind them; that is God.

"May I have your attention for the announ these are words commonly heard by our Principal Kenneth Ashmore. You might say he is a very popular man by the number of visitors he receives every day, most of them are students of LHS. Seated next to him is our smiling superintendent, Robert Seeley, who also tries to keep the students in order.

If you wonder who the man in the green outfit is; or when you hear over the intercom "John Erickson please come to the office, you might wonder who John Erickson is, well it's our "John the Janitor".

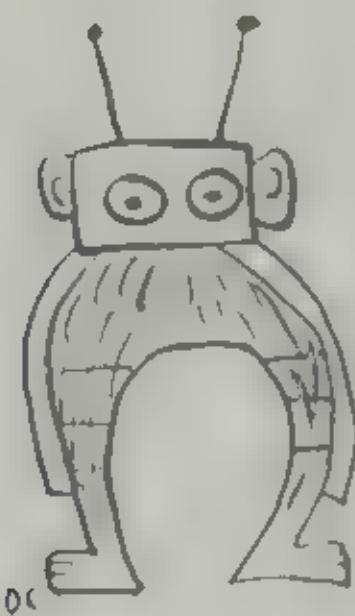

The three smiling that you'll meet at the office are LEFT TO RIGHT; Donna Skjodal, Mildred Seidel, May Hathaway, these are the three charming ladies who run the office.

If you wonder who the lady is that always yells, "Sit down so I can take roll call or see who's going to eat weiners today," it's probably Lois Peterson. Mrs. Peterson was our Study Hall advisor this year.

Even though they played some tough North Dakota schools, the girls started the season playing strong. In the Little Moreau tournament, the team played better basketball carrying the improvement into the district tournament. Although the girls did not take Region 8, Coach Severson felt the girls played well. "I feel we had a successful season and all the credit has to go to the girls who made the adjustment to a new coach, worked hard, and had a desire to win."

This years Cowboys compiled a 4-4 record, _____
enough for third place in the Badlands Con-

ys much. For what they didn't have in
Physical Qualities they made up in desire.

This was proven in how they finished the
defeating two of the strongest teams in the _____
ference Belfield and Bowman.

Lemmon possessed four all conference players
last, Guy Breenkott, Ken Holgard and
While Rich Peterman made honorable
mention.

Ken Holgard was selected all state defensive
end, also voted most valuable in the
Badlands Conference.

The Cowboys were a team with little experience
But they possessed determination
for this I'm proud of each and every one of them.

Bob Lentgen

This years golf team was very small, but was exceptionally good. They put great effort into their work. Rich Gossman qualified for the State Golf Meet.

The other member of the golf team was Travis Svhoves.

Coed Intramurals

Boys Basketball

The 1976 Cowboys enjoyed one of the more successful seasons in recent years as they compiled a record of fourteen wins and eleven losses, won the District 32 tournament, and finished runner-up in the region 8 tournament.

The season was exciting as the Cowboys came from behind twelve times in their fourteen victories. Several of their losses were by narrow margins.

Since this was a junior dominated ball club, the future looks bright. It will take a lot of hard work to continue to improve, defend the district championship and improve on our regional showing.

It was a very gratifying year for me as coach as I enjoyed working with this group of young men. I am eagerly looking forward to next year as are the players.

At the start of the season, Lemmon's "B" squad beat stronger Belle Fourche and Bison teams. They lost some close games before putting two good games together in the Faith Tourney to bring home the Championship Trophy.

Wrestling

L. Johnson and D. Smetanken were the two wrestlers that qualified for the state tournament.

ROW ONE: D. Smetanken, B. Johnson, M. Johnson, K. Zeilke, A. Thingvold, ROW TWO: M. Dries, J. Parker, L. Hall, R. Ham, N. Krebs, D. Smetanken, ROW THREE: B. Langten (Coach), G. Hess, J. Larson, J. Erhart, L. Boynton

Lies of personal in the upper weights and weight class proved to be the main deterrents in the wrestling squad this year.

Lemmon had to give up twelve points in every match it participated in this year. Even with that the cowboys did manage one victory, over Cheyenne Eagle Butte. Despite the point give aways, Lemmon never finished last in a tournament. Always had one or two individuals that either won their weight division or placed in the top three.

Five wrestlers made it to Regionals and two of the five made it to state. The boys making it to Regional were Jeff Larson, Darrell Smebakken, Darwin Smebakken, Paul Forelich, and Bob Johnson.

Johnson and Darwin Smebakken managed to make it to state.

Despite the personal problem and over all depth the Lemmon Wrestlers did a fine job and were a credit to Lemmon High School.
